STATEMENT OF SUBSTANCE OF INTERVIEW

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

The Interview Summary prepared by the Examiner accurately summarizes the interview conducted concerning this application except that claim 37 was not discussed. However, reviewing claims 5 and 37 it is quite clear that the Examiner's Amendment is correct.

The substance of the interview involved Applicant's agreeing to the Examiner to amend the claims in the formal fashion to provide antecedent basis for terminology.

No other issues were discussed.

Respectfully submitted,
